

CRESTWOOD NEWSLETTER

APRIL/MAY 2020

ON JUNE 2, 2020, CRESTWOOD RESIDENTS WILL BE ASKED TO VOTE ON PROPOSITION 1, WHICH WILL CONTINUE THE CURRENT 1/2 CENT CAPITAL IMPROVEMENTS SALES TAX.

Revenue from the Capital Improvements Sales Tax funds capital purchases, maintenance items, and infrastructure improvements such as sidewalk and street repairs, park improvements, vehicle purchases, facility maintenance and more.

Recently, the City used proceeds from the Capital Improvement Fund to renovate Rayburn Park and performed roughly \$300,000 in citywide sidewalk improvements.

Looking to the future, Crestwood will need to purchase a new EMS rescue truck in 2021, and a new fire truck in 2023, expenditures which historically have been funded by the Capital Improvements sales tax. Further, Crestwood will also use the proceeds of this sales tax to fund maintenance and reinvestment for City roads, parks, and facilities.

The half-cent Capital Improvements sales tax was first approved by voters in 1993 and extended by voters in 2002. Now, the Board of Aldermen is asking voters once again to consider continuing the sales tax at the June 2, 2020 election. We encourage all Crestwood residents to get out and vote on June 2.

MISSOURI COUNTS: 2020 CENSUS RESPOND TODAY

YOU CAN NOW RESPOND TO THE 2020 CENSUS ONLINE AT [MY2020CENSUS.GOV](https://my2020census.gov)

An accurate census count is an incredibly important part of helping our community grow and thrive. In the 2010 Census, Crestwood had a 84.8% self-response rate. Let's make the rate for 2020 even higher. Don't forget to include everyone in your household on your census form.

For every adult and every child that's not counted in the census, Missouri will lose \$1,300 in federal dollars each year. When

every Missourian is counted, we get our fair share of funding to pave our roads and rebuild bridges. Our health care programs and community health centers get more funding to take care of our family, friends, and neighbors. Our schools get important funding to take care of our kids. Respond now at my2020census.gov.
