DECEMBER 2019

## 2020 PREVIEW OF THE YEAR

### A LOOK AT 2020: EXCITING PLANS FOR THE UPCOMING YEAR

Get ready for 2020, because we have some exciting things happening in Crestwood: work will begin on the Whitecliff Quarry redevelopment project, new playground surfaces at Whitecliff and Sanders Parks, Crestwood Aquatic Center improvements including a new feature for the Kiddie Pool, continued street and sidewalk repairs, and more!

Crestwood has been awarded two grants for projects in 2020: a Federal Land and Water Conservation grant to redevelop the quarry area at Whitecliff Park, and a Municipal Parks grant to improve to the Crestwood Aquatic Center. Both projects will add new amenities and enhance the quality of the locations.

The 2020 Budget includes funding for a citywide sidewalk, biking, and traffic calming study. The Board will be seeking assistance in developing a plan to enhance the safety of all traffic users.

Several residential streets are slated for mill and overlay road work. Streets scheduled to be repaired include Acorn, Attucks, Banyon, Capri, Dalcrest, Dalwood, Fieldcrest Court, Foxpark, General Grant Lane, Greenerest, High, Pinellas, and Rayburn. The City will continue to repair deteriorating sidewalks throughout Crestwood.

Repairs and improvements to the Crestwood Government Center are planned for 2020. The project includes extensive renovation work to the lower level offices in Public Works Administration and Fire Administration. Additional updates to the building will address work that has not been done since the Government Center was originally completed in 1973.

Crestwood is getting a new City Website! The redesign will improve user accessibility, provide upgraded features, and lend a fresh new look. Board members will work closely with City staff throughout the process. A go-live date is expected for some time in 2020 – stay tuned for more details.

City staff looks forward to a lively 2020!

# CRESTWOOD AWARDED MUNICIPAL PARKS GRANT

## MUNICIPAL PARKS GRANT WILL HELP FUND MUCH NEEDED IMPROVEMENTS TO CRESTWOOD AQUATIC CENTER

The City is happy to announce that Crestwood has been awarded a \$366,270 grant from the Municipal Park Grant Commission of St. Louis County for various improvement projects at the Crestwood Aquatic Center.

Over the years the City has identified significant maintenance items needed to support operations at the Aquatic Center. Now, due to funds provided by the Municipal Parks grant, the project is scheduled to begin next Spring.

Recreation Manager Eilien Ramirez applied for the grant earlier this year.

“We’re excited to be able to fund these important maintenance items using grant funds,” Ramirez said. “Crestwood residents should be excited about the improvements and changes they will see in the 2020 season!”

In addition to various maintenance items, the project includes the addition of a new feature for the Kiddie Pool, replacing mats in the Kiddie Pool, upgrades to the locker rooms, and replacing the sound system and speakers.
