The Thomas Sappington House and Museum, at 1015 S. Sappington Road in Crestwood, was built in 1808 during the presidency of Thomas Jefferson. The restored site is an outstanding example of Federal architecture, popular during the post-revolutionary period, but rare in Missouri. The furnishings from 1780–1830 enhance the elegant ambiance. The museum is open for touring. Group museum tours may be arranged through the Resident Manager, Sally Cakouros, at (314) 822-8171. A 19-minute DVD of the tour is available for viewing in the Library of Americana and Decorative Arts by those physically unable to tour the two-story home. Visit the Loft Gift Shop to discover rustic decor for home and garden.
