About This Site

This site allows you to search permit data on-line. You may also create an account to submit permit applications, track the progress, and make payments.

Need help?

We've created a webpage that explains each permit or registration step-by-step and gives you detailed information about fees, required forms and related items.

Report a Problem

Trouble with your application or inspection request? Please report your problem to

Get Started

Click on an item below to get started

- Pay** Search for payable fees with the new Fee Finder.
- Apply** Apply for a permit, project, or license.
- Report** Fill out a short form to report a code violation.
- Your Items** Manage your applications, reports, and requests.
- Contractor Status** Check your current contractor status.
- Renew** A quick guide for renewing your license online.
- Advanced Search** Use the many available filters to find what you're looking for.
- Inspections** Search for available inspection scheduling items.
- Open Data** View and download from the available reports.

To submit an anonymous code violation:

- Do not log in (this should say log in, not a username)
- Click Report

You can submit a code violation anonymously or not with contact information. This document will show you both ways.

If you submit anonymously, you will NOT be able to track or follow up on your submission.
