A letter was sent to you on April 22, 2025 by the Building Inspector notifying you of the Building Inspector's determination that the Structure qualifies as a dangerous building. The letter you received stated that the Structure must be vacated and repaired no later than June 21, 2025.

Pursuant to § 67.410 of the Missouri Revised Statutes and § 7-187 of the Municipal Code of the City of Crestwood, PLEASE TAKE NOTICE that a hearing will be held before the Acting Building Commissioner of the City of Crestwood at the following date/time and location:

If, based on the evidence and testimony presented at the hearing, the Building Commissioner determines that the Structure is a dangerous building, and a nuisance and detrimental to the health, safety, or welfare of the residents of the City, the Building Commissioner shall issue an order to repair, vacate, or demolish the Structure. If the Building Commissioner issues such an order, and the Structure is not repaired, vacated, or demolished as ordered within 30 days of such order, the Building Commissioner is authorized to cause the Structure to be repaired, vacated, or demolished and the property cleaned up as the facts may warrant.
