CDT, when they will be publicly opened and read in the Crestwood Government Center Aldermanic Chambers, located at One Detjen Drive-St. Louis, MO 63126.

The Scope of Work includes breaking out and hauling away old materials, preparing base, forming, pinning, placement, and finishing of concrete street slabs/curbs, including approved ADA sidewalk ramps with truncated domes, backfill curb lines, sodding (if needed), traffic control, and other incidental items. The Work is to be accomplished during the period April 27, 2026 to August 14, 2026; between the hours of 7:00 A.M. and 7:00 P.M.

Bid packages are available from the Department of Public Works at the Government Center; or by contacting Ms. Shirley Brown at (314) 729-4726 or [sbrown@cityofcrestwood.org](mailto:sbrown@cityofcrestwood.org) free of charge. All bidders shall register with Ms. Shirley Brown using the above contact information.

Not less than the prevailing hourly rate of wages (Order #31) shall be paid to all workmen performing under this contract per specified rates in this area as determined by the Department of Labor and Industrial Relations of the State of Missouri.

The City of Crestwood is a tax-exempt entity. A project exemption certificate will be supplied to the successful contractor.

**A bid security in the amount of five percent (5%) of the bid amount must accompany each bid in accordance with the Instructions to Bidders.**

Bidders shall submit and furnish at least three references, along with contact persons and appropriate contact information.

All bidders are required to E-Verify all employed workers participating in the 2026 Concrete Slab Replacement Project as specified. The information must be provided to the City prior to initiating the work.

The selected Contractor (and any subcontractor performing any portion of the Work hereunder) shall require all on-site employees to complete a ten (10) hour OSHA construction safety program or similar program. Any employee found on the site without documentation of the successful completion of the program shall be given twenty (20) days to produce such documentation before being subject to removal from the site. Failure to comply with this Article will result in the Contractor forfeiting as a penalty the sum of \$2,500.00, plus one hundred (\$100.00) per day, for each employee employed without the required training. The City may withhold all sums and amounts due and owing as a result of any violation of this Article when making payment(s) to the Contractor.

The City of Crestwood shall award any contract based on the bid that, in its sole discretion, best meets the interests and requirements of the City. The City of Crestwood reserves the right in its sole discretion to reject any and all proposals, to waive technicalities or deficiencies in any or all the bids, to negotiate with any or all bidders or others for other or more favorable terms or prices, and/or to award the contract to other than the bidder submitting the lowest bid, with or without negotiation.

4.2.2 The City will have the right to retain the Bid Bond of Bidders to whom an award is being considered until either (a) the City-Contractor Agreement has been executed or the performance bond has been furnished, (b) the specified time has elapsed so that Bids may be withdrawn, or (c) all Bids have been rejected. The Bid Bond of all Bidders to whom an award is not being considered shall be returned promptly after the contract award.

The envelope shall be addressed to Department of Public Works, City of Crestwood, 1 Detjen Drive St. Louis, Missouri 63126 and shall be identified with the Project name, the Bidder's name, and address and, if applicable, the designated portion of the Work for which the Bid is submitted. If the Bid is sent by mail, the sealed envelope shall be enclosed in a separate mailing envelope with the notation "SEALED BID ENCLOSED" on the face thereof.

4.3.3 Bids shall be deposited at the designated location prior to the time and date for receipt of Bids indicated in the Invitation to Bid, or any extension thereof made by an Addendum. Bids received after the time and date for receipt of Bids will be returned unopened.

4.3.4 The Bidder shall assume full responsibility for timely delivery at the location designated for receipt of Bids.

4.4.2 Prior to the time and date designated for receipt of Bids, any Bid submitted may be modified or withdrawn by notice to the party receiving Bids at the place designated for receipt of Bids. Such notice shall be in writing over the signature of the Bidder; and it shall be so worded as not to reveal the amount of the original Bid.

4.4.3 Withdrawn Bids may be resubmitted up to the time designated for the receipt of Bids provided that they are then fully in conformance with these instructions to Bidders.

4.4.4 The amount of the Bid Bond shall be in an amount sufficient for the Bid as modified or resubmitted.

**5.2 REJECTION OF BIDS**

5.2.1 The City shall have the right to reject any or all Bids, to reject a Bid not accompanied by a Bid Bond or by other data required by the Bidding Documents, to reject a Bid which is in any way incomplete or irregular and to rebid the Work at a later date if all Bids are rejected.

**5.3 ACCEPTANCE OF BID (AWARD)**

5.3.1 The City may make any investigation of a Bidder as it deems necessary to determine the ability of a Bidder to perform the Work. Bidders shall furnish information regarding their qualifications upon the reasonable request of the City. The City reserves the right to reject any and all Bids for any reason.

5.3.2 It is the intent of the City to award the Contract to the lowest responsible Bidder provided the Bid has been submitted in accordance with the requirements of the Bidding Documents and does not exceed the funds available. However, the City reserves the right to accept the Bid which, in the City's judgment, is in the best interest of and most advantageous to the City even if not the lowest bid. The City shall have the right to waive any informality or irregularity in any Bid or Bids received and to accept the Bid or Bids which, in its judgment, is in the City's own best interests.

5.3.3 The City shall have the right to select the streets for selective slab or full slab replacement in any order or combination, and to determine the low Bidder on the basis of the sum of the streets accepted.

If the City objects to any such proposed person or entity, the Bidder may, at his option, (1) withdraw his Bid, or (2) submit an acceptable substitute person or entity with no adjustment in his bid price.

6.1.3 Persons and entities proposed by the Bidder and to whom the City has made no objection under the provisions of Subparagraph 6.1.2 must be used on the Work for which they were proposed and shall not be changed except with the prior written consent of the City.
