**Re: Notice of Unlawful Occupancy – Building Deemed Dangerous and Uninhabitable**

Dear Occupant:

This letter serves as formal notice that the structure known and numbered as 8500 – 8506 Park Crestwood, within which your unit is located, has been deemed a dangerous building and public nuisance under Chapter 7, Art. 8 of the Municipal Code of the City of Crestwood, Missouri (the “Code”). A determination was made by the Building Commissioner of the City of Crestwood on August 11, 2025 (the “Order”), ordering the building to be **vacated** and **repaired**. A copy of the Order is enclosed herein. On September 16, 2025, the St. Louis County Circuit Court temporarily stayed the Building Commissioner’s Order for 30 days. On December 31, 2025, the Court denied Forestview’s motion to extend/renew the stay. The stay of the Building Commissioner’s Order has now expired, and the Order is in effect.

As a result of the Order of the Building Commissioner, **all residential units within the building have been declared uninhabitable.** Effective immediately, occupancy of any unit in this building is unlawful.

**YOU ARE HEREBY ORDERED TO VACATE THE PREMISES IMMEDIATELY** and to seek alternative housing. Continued occupancy of the building after receipt of this notice constitutes a violation of § 7-191 of the Code, and may subject you to prosecution, fines, and/or arrest.
