1. For Down Tree Removal:

- This contract includes all types of trees on properties that are maintained by the City of Crestwood.
- Any downed tree(s) that are determined to be an emergency by the City shall be removed as quickly as possible by the contractor with open communication from our Parks Crew Leader.
- Any downed tree(s) not deemed an emergency, trimming and dead wood removal will be done in a timely manner that is discussed and agreed upon by the Park Crew Leader and the contractor at the time of contacting regarding the downed tree(s).
- When there is an uprooted stump from a downed tree, that stump will have flexibility with the grinding timeline. Those cases will be discussed with the contractor at the time of service request.
- Over the past 2 years (2024 & 2025) there were 37 trees that were removed as a part of the previous contract.
- There is no, not to exceed, amount for this contract, but the city will be operating under annual budget allotments that they will have to adhere to.
