Board of Aldermen Report

Alderman Charboneau reported that there was a presentation by the City Administrator in regards to the city's financial forecast for the next five years. There will be a town meeting on October 18 at the Community Center. The Board of Aldermen has been considering restructuring some of the boards and commissions.

Staff Report

None.

Old Business

Catherine Green reported that the committee received compliments from the fire department, the mayor and many others for the planting that took place September 24.

The end date for putting out the door hangers will be October 31.

The pastor at Providence Reformed Presbyterian Church would like to partner with the committee to help seniors who are unable to take care of their yards. This would include watering, weeding and week to week maintenance. It was decided that although the committee would like to help, this is too much for the committee to take on, but they would be willing to refer others to them to help, possibly the boy scouts or girl scouts that are always looking for service hours.

The first date for bringing donated items to Savers for the committee fundraiser is November 12.

The committee will be taking part in the trunk or treat at the Halloween Family Fun Fest on October 29 in Whitecliff Park.

New Business

There was discussion about the 3 year term limit for members of the committee. Catherine Green shared her concern about what will happen to the committee after term limits have expired. Alderman Charboneau said that they are working on staggering the term limits and that once your term expires you can ask to be re-appointed.

There will be a City Hall and Whitecliff clean up October 24 and November 5 at 9am.

The Yard of the Month winners will be honored at the BOA meeting next week.

Adjournment

A motion for adjournment was made by Tom Krauska and seconded by Ellen Medearis. A voice vote was taken with 6 in favor and none opposed. The next meeting is scheduled for November 1, 2016, at 5:30pm, at City Hall. Meeting adjourned at 6:37pm.
