

Rayburn Park Survey

In late 2017, the City of Crestwood will be removing the outdated playground equipment from Rayburn Park for safety reasons. In light of this, the City is currently in the process of preparing a Master Plan for improvements to the Park. Input from area residents is needed to develop the best possible plan. Please take a few minutes of your time to answer the following questions and provide any additional comments that you feel should be considered during the planning process. **You are also invited to a Public Meeting to be held at Rayburn Park at 11 am on Saturday, March 4, at which time we will discuss the information learned from this survey and offer you an opportunity to provide additional input.** In the event of rain, the meeting will be moved to the Government Center. E-mail your survey to Todd Stover at tstover@cityofcrestwood.org

What are the age ranges of everyone in your household that actively use Rayburn Park? Please check all that apply.

- Pre-K Age (birth to 5 yrs.)
- Elementary School Age (6 yrs. to 10 yrs.)
