

## Beautify Your Neighborhood in 2017!

The Crestwood Beautification Committee wants to help Crestwood citizens make their neighborhoods more beautiful. We are offering to help neighborhood volunteers fund their projects.

If you would like to beautify the entrances or common areas or islands in your neighborhood, the Beautification Committee will assist you by matching the funds you raise, up to \$500 per project. If you are interested, fill out an application (see below). You don't have to be a member of any committee to do this. All you have to do is organize some of your neighbors to contribute their effort to get the project done. This can be a way to make new friends or have some fun working together with old friends to improve your neighborhood (and its property value)!

In addition to the funding, The Beautification Committee will help you with getting started, designing the project, and fundraising. However, the neighborhood volunteers will be in charge of their project.

For all projects, the Beautification Committee must approve designs in order for neighborhoods to receive funds. Designs also must comply with city ordinances. (A list of city ordinances can be found on our website.)

If you're interested in taking advantage of this opportunity, please fill out the application below. When complete, please email it to: [BeautifyCrestwood@gmail.com](mailto:BeautifyCrestwood@gmail.com).

**Applications must be received by March 31, 2017. Only fully completed applications will be considered.**

**Grant recipients will be notified by April 15, 2017.**

**In order to receive funds from the Beautification Committee, projects must be substantially completed by June 15, 2017.**

Please note that the Beautification Committee can commit to contributing only \$2500 in total to all these Crestwood projects in 2017.

If you have any questions, please contact us.
