

FREE Poison Control Presentation

Enjoy a **FREE** presentation from the Missouri Poison Center on Poison Control.

When: Monday, October 2nd at 5:30pm

Where: The Crestwood Community Center

What: Are you taking your medicines safely? The older we get the more medicine we take. This presentation will educate you on how you and your loved ones can avoid medicine mishaps and stay medicine safe.

Registration is required by Friday, September 29th. To register call 314-729-4860 or visit the Crestwood Community Center.

This presentation is FREE and open to the public.
