The City of Crestwood is developing a Community Park Plan for the Sappington Center and we want you to tell us how to develop the Sappington Center over the next ten to fifteen years.

The Sappington Center is located on 2.5 acres at the intersection of Sappington Road and Grant's Trail. The center includes the historical Thomas Sappington House, Library of Americana, and the Barn Restaurant. The plan will address items such as historic preservation, capital improvements, community events, educational opportunities, and more.
