

FRI MAY 11TH

BAT SURVEY EDUCATIONAL DEMONSTRATION

Event hours: 7:30 pm – 10:00 pm

As part of the event, you will learn about local nocturnal wildlife in St. Louis, see how bats are captured and measured, and have the opportunity to record the sonar of flying bats. All ages welcome. Don't forget to bring a flashlight! For more information visit <http://www.cityofcrestwood.org>. Rain out date is May 12, 2018.

For any questions contact:

Vona K. vona@wildheartecology.com or
Tera Baker at tbell@cityofcrestwood.org
(314) 729-4862.
