

DUMPSTER/DEMOLITION AND CONSTRUCTION WASTE CONTAINER PERMIT PROCEDURES

Procedures for Obtaining a Dumpster/Demolition and Construction Waste Container Permit

1. A permit is required for a Dumpster/Demolition and Construction Waste Container (DCWC) to be stored on-site. For DCWC's on-site longer than seven (7) days a permit fee of \$ 50.00 is due at time of application. Permits will be granted based upon the necessity of the DCWC for a period not to exceed 30 days, or what would reasonably be expected to complete the work requiring the DCWC, as determined by the Director of Public Service.
2. Dumpster/Demolition and Construction Waste Containers must be located on an asphalt or concrete surface and may not be located on a public street or right-of-way.
3. Off-site waste may not be transported to any Dumpster/Demolition and Construction Waste Container located within the City of Crestwood.
4. Dumpster/Demolition and Construction Waste Containers shall be leak-proof, odor-free, and maintained in a manner satisfactory to the Public Works Director.
5. Dumpster/Demolition and Construction Waste Containers shall be emptied as necessary, or within 72 hours of notification from the City.
6. A Dumpster/Demolition and Construction Waste Container shall be deemed full if no more waste can be added to it without making it unsafe or illegal to transport, if additional waste could be dispersed from the container by wind or gravity, or if deemed full by the Director of Public Works.
7. A Dumpster/Demolition and Construction Waste Container shall not be stored in a floodplain.
8. Should applicant have any questions about DCWC permits, please contact the Code Enforcement Officer at 314-729-4837.
9. Storage containers are not permitted, but notification must be provided to the City of Crestwood. They are allowed for no more than ten (10) days. Storage containers must be located on an asphalt or concrete surface and may not be located on a public street or right-of-way.
